Dear Friends of EducationUSA:

The EducationUSA Thailand Network, supported by the U.S. Embassy, is pleased to share with you that our advising centers affiliated with the U.S. Department of State will hold EducationUSA Spring College Fairs and information sessions:

Chiang Mai: February 6, 2014 at the Shangri-La Hotel, Chang Klan Road.  
Information sessions from 1600-1730 hours, fair booths from 1730-20:00 hours.

Bangkok: February 8, 2014 at The Renaissance Bangkok Ratchaprasong Hotel (BTS Chidlom, exit 2). Information sessions from 10:30 – 13:30 hours and fair booths from 1330-1630 hours.

Both events are free to attend.

This event will provide you and your students with opportunities to explore higher education options in the U.S. In addition to the college fair featuring more than 40 top educational institutions, the information sessions will feature alumni sharing their college experiences, consular officers on the U.S. student visa process, and expert tips about scholarships, admissions and standardized tests.

Please find enclosed materials along with this letter. We would appreciate if you could have the posters displayed for your staff/students information. We also highly encourage you and your students to visit the following pages to Pre-Register for our events:
