Topic : Invitation to attend the International Conference on Sustainable Global Agriculture and Food Security (ICSAF)

To : Dean / Chairpersons

The Faculty of Biotechnology, Assumption University of Thailand, together with the College of Human Ecology, Fu Jen Catholic University of Taiwan; the Faculty of Food Technology, Saigon Technology University of Vietnam; and the Faculty of Agricultural Technology, Soegijapranata Catholic University of Indonesia will organize an "International Conference on Sustainable Global Agriculture and Food Security" (ICSAF) on July 16-18, 2014 at The Emerald Hotel, Bangkok Thailand. This conference intends to provide a platform for students, scholars, and industry to present and discuss on research concerning how science and technology contribute to the integration of sustainability into food and agriculture, especially in the Asian region. The exchange of idea and knowledge will be in a form of poster and oral presentations as well as a panel discussion.

We would like to invite you and members in your organization to attend this meeting. Those who are interested are encouraged to register and/or submit their abstracts through our online submission system. The detail of the conference is enclosed.

Please distribute this information within your organization as to promote the upcoming conference. We thank you for your support and kind consideration.

Sincerely Yours,

Dr. Churdchai Cheowtirakul  
Dean, Faculty of Biotechnology  
Assumption University of Thailand
